

# Key Instant Recall Facts

## Year 1 – Summer 2

By the end of this half term, children should know the following facts. The aim is for them to recall these facts with *speed and accuracy*.

# I can count in steps of 2

How many stars are there?

Count using cubes, jottings or everyday objects at home

### Key Vocabulary

ones

twos

count in twos (forwards from)

count in twos (backwards from)

before

after

double

How many groups of

Complete the number track:

Top tips The secret to success is practicing *little* and *often*. Can you practice this KIRF whilst walking to school or during a car journey? You do not need to practice all aspects of the KIRF all at once. Perhaps you could have a fact of the day, or a few facts per week to practice? If you would like more ideas, please speak to your child's class teacher.

### Practical ideas and resources:

You can count in twos at home with your child using objects around the home like pairs of socks or shoes or with lego bricks. Songs and games are a great way for children to learn.

Below are links to song and a game for you to try
